RE: Ed Rakcochy's student film: "Advanced Operating & Steadicam class"

This is a letter to verify that **Ed Rakochy**, is a full-time instructor, and their cohort are full-time students in good standing at the Los Angeles Film School Extended Program **and as such are covered under the school's rental liability during the above student film shoot.** (Exceptions listed in the paragraph below). Please extend to them, and their fellow student crew any student discounts or considerations that your organization provides until the time that they graduate as indicated on their student ID.

A Certificate of Insurance should already be on file with your organization, but one is also available upon request (or attached to this letter). ***Please note that the Los Angeles Film School does NOT provide Automotive Insurance (which includes the towing of generators), Workers' Compensation Insurance, or insurance for high-end cameras, camera packages, lenses, or lens adapters for its students*.**

Further, ownership of the film rests entirely with the above director/producer of the student film. They have all signed an agreement that the film is not to be used for commercial purposes.

If you have any questions, please feel free to call or email me.

Sincerely,

JAY ZABRISKIE| Instructor - Film
